November/December 2024

NOVEMBER

November was an eventful month! Thank you to all of the families that were able to make it to our Literacy/Numeracy Open House. Our students love to share their learning with their parents! We hosted a Remembrance Day Ceremony with local veterans and our students were privileged to play dodgeball with soldiers from the Red Deer Garrison. Congratulations to the students from our school that were acknowledged by the legion for their poster/poetry submissions! We are PROUD of you!

Quest Theatre was at our school to present 'Snow White' in the gym. Our students reported that they enjoyed the performance and wish to have them back in the future!

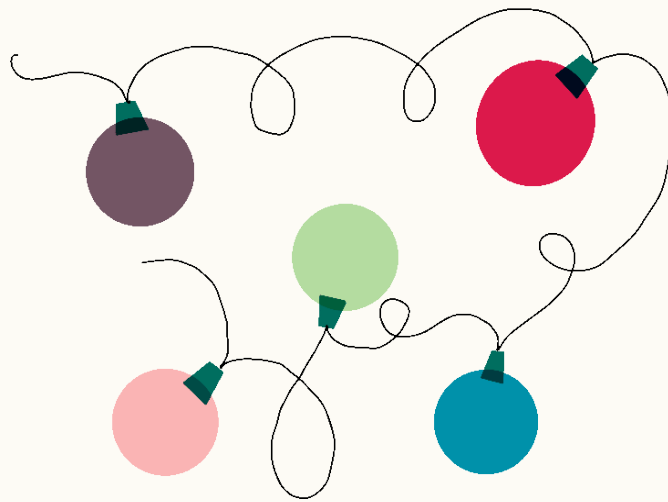

Our Grade 4-6 students started Archery in November. While these students are learning the skill of archery with Mrs. Leeder, the Grade 2/3's are taking part in a double class of bowling or art with either Mrs. Melin or Mrs. Groves. It takes good teamwork, so our students can have extra curricular experiences!

Taco in a Bag was well received! Thank you to our Parent Council members for providing our students with hot lunch options! We appreciate the time you take to do this for us!

The 'Smashball' tournament at the end of November was a hit! It was a learning experience for all, including staff! We added smashball as part of our regular intramurals moving forward, so we are even more ready for next years tournament! Thank you to Winfield School for hosting, BMC for transporting our students and to Mr. Stewart for teaching us all how to play!

Mrs.Manders hosted a 'Holiday Gift Shop' in the library over 3 days in December. This was not a fundraiser. The sole purpose was to give our students the chance to shop for family members. They even received bags to keep their presents a secret. It was well liked ! Our students enjoyed the experience of shopping to give for this Christmas season.

Equine Empowerment wrapped up on December 12th. Thank you so much to Shannon Davie (Former teacher at Alder Flats School) who is now an Equine Sports Therapist. Our students truly enjoy their time in your barn connecting with horses. We appreciate your program! Thank you to FCSS for funding this experience! We could not do this without you!

Holiday Sparkle & Joy

Our students did a fantastic job with the performance of 'Survival Santa!' What a GREAT way to share the spirit the Christmas with our community! Thank you to everyone who ventured out to attend our concert in the gym! This is something everyone looks forward to!

Another 'Shout Out' to our Parent Council and the community members who donated food or a monetary donation so our entire school body could enjoy a free Christmas dinner. We truly appreciate all contributions!

As we approach the holiday season, I want to take a moment to extend my heartfelt wishes to you all. May this Christmas bring joy, peace, and warmth to your homes, and may the New Year be filled with happiness, health, and success.

To our wonderful parents, thank you for your unwavering support and trust. To our students, keep shining brightly and embracing the learning journey with enthusiasm.

Wishing you all a Merry Christmas and a Happy New Year, filled with love, laughter, and new opportunities!

Warm regards,
Mrs.Laczo
