## Our Photos

## February Principal Newsletter

90\_9

We wrapped up our OSOB with a movie and popcorn. Thank you to the parents who graciously prepared our free hot dogs and popcorn on finale day!

The 'Learn To Skate' program was a hit! Thank you to Superintendent Mike Wake for making this possible! Our students enjoyed their time on the ice at Winfield!

VOICE AND CHOICE: Our students highly recommended 'Alien In Line' with their votes in our school survey last spring, so THANK YOU to Parent Council as our students will get two rounds...two days in February and two days in June!

Amazing Experiences!

Our last tournament at Winfield, the 'Hockey Tournament' is coming up the end of April!

Details to follow soon!
